Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As a Higham resident it's very concerning the amount commercial traffic this is going to bring to the village, there is already a noticeable increase in lorries coming through the village when they are supposed to be using the lower Rochester road. It is also going to cause some serious issues with parking in the area and that is already an issue.

Kind regards
