

Dear Sir

Reference the 'Yree

Preservation Order' made by the
Gravesham Borough Council on
14 Lim Trees extending from
Milton Hall Rd to across the
rear of the gardens of 193 Pine
Avenue & in the ~~SE~~ south-east
corner of 99A Old Rd East.

In general I welcome
the order, however, one of ^{the} trees
referred to in the SE corner of
99A Old Road East is in fact
on land owned by me.

I recently established that I own
the ^{shaded} ~~shaded~~ ^{group} ~~group~~ ^{land} on the enclosed plan, and
it had been my intention to
remove the 'armored tree' in order
to improve the parking facilities
of my property. At present I
can only park one car off the
road, and being on the corner of
a main road have double yellow
lines along the majority ^{part} of my
frontage, consequently visitors ^{are} ~~are~~ ^{beyond} ~~shd.~~
obliged to park in the road. This
is not a satisfactory arrangement
particularly if they stay ~~over~~ overnight.

For the above mentioned reasons
I wish therefore to object the
preservation order on the one
tree that I have arrowed on
the plan.

Y^o f.
