Reasons for comment:	
Comments:	Please dont build on the fields! They are used by the whole of higham, from daily dog walkers to children playing. The infrastructure for Higham cannot support more people, especially as the Doctors surgery is closing and the Higham School has a waitlist already so we have to go to other schools. There are only 2 roads in and out of Higham so the traffic will become even worse. Furthermore, if we allow building on this field all of the other fields will then be subject to the same. The peaceful village that we know and love will be no more

Kind regards
