Reasons for comment:

Comments: The property should remain as a community asset and continue to operate as a public house. As a hamlet with few facilities, the pub has been key to bringing local people together. It offers a venue for meeting up, socialising and eating and drinking as well as offering regular events/quizzes and hosting parties etc. It is a vital resource for the well being of locals. That said it has also been well used by ramblers/walkers and others who pass by and/or visit the area and was a destination in its own right with a precious outside seating area.

Kind regards
