Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I would like to object to the application for change of the Amazon & Tiger public house into a home for all the same reasons as most have posted on here. The loss of this pub is having great impact on the wonderful community that live here. There are others willing to purchase and reopen it. The only reason they wish for the change is not to reside there but to sell for profit. A community would be stripped of its most valuable asset.
