Reasons for comment:

Comments: Living in a small community I feel it's very important to know the people around you and bring people together. We have lived here for 10 years and are a short walk from what was a beautiful community pub. You can't support and help neighbours in need if you don't know anyone and this pub was key to us getting to know our community many of whom have helped us many times over the years when we have been struggling. I understand this family don't want to run this business anymore but I think it should be passed on for someone else to take up for the sake of the community and elderly who have nowhere else to go.

Kind regards
