Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: As someone who was born in the village, I practically grew up in the Amazon and Tiger. I enjoyed going to the pub with my parents when young and, as I got older, looked forward to bringing my friends there and even working there. To find out that there could be a possibility of not having a pub in the area upset me as it meant that I would not see other people in my village as often as the pub was the only meeting point for members of the Harvel community to socialise.

Kind regards
