Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I believe this building was built to be used as a public house for the village of Havel. There are already properties for sale in the area and residents find it very difficult to get planning permission to improve these older buildings. It makes little sense in giving permission for a building that villagers would like to see back in use for the purpose it was built for. I think questions would need to be asked if this application was supported

Kind regards
