I have regularly visited the Amazon & Tiger pub over their years as I run in the Harvel 5 race and I strongly object to the application to turn this essential village pub into a dwelling. In visiting, the pub has always been thriving and at the heart of this day- turning it from "just a race " to a day out with family and friends as we always decamped there after the race to enjoy the rest off the day having celebratory drinks in this establishment. In my opinion the race has been different without this local linchpin.

Our rural villages should not be overlooked or forgotten in planning applications and the importance of a tight knit community to ensure support for older residents. I feel the closure of the Amazon & Tiger will have a detrimental effect on the Harvel community and should the current owners want to move on the business should be sold as they bought it - as a pub for the village (and visitors to the village to enjoy.

Kind regards
