Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Although not a local residence of Harvel (I live in Gravesend) I visited the Amazon and Tiger regularly for country walks with my family and to have a Sunday roast in the Amazon & Tiger and there was always clearly a strong village community, which was lovely to see.
I absolutely object to this application to rob the village of what was clearly the hub. I understand that the pub has been in the village for 100 years and one couples retirement should not be allowed to change that. When the current owners took over the pub they were custodians of a valuable asset and they should pass that on to someone else, not profit and desecrate the village with their actions.

Kind regards
