Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: The Amazon and Tiger pub has been at the heart of this small but thriving village for over a century. It is (or was) the hub of the village. It is sorely missed. My understanding was that this building has an Community Asset designation. Surely it is not a Community Asset if the planning application goes through. I have not been aware of this application posted on the building/fence as is normally the case

Kind regards
