Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Restriction of travels and movement due to Covid regulations had a huge impact on this pub. There was a handful of locals who used it during this time for takeaways, but not enough to keep the business going. Not even the community would be able to keep it open, its a waste of time. Let the application for change of use pass and do something positive with the building.

Kind regards
