Reasons for comment:

Comments: I ABSOLUTELY support this. I was a frequent visitor to the Amazon & Tiger but with the pandemic, potholes and drink drivers, I am not surprised the owners are looking to move on with their lives.

And the last time I checked, the owners owned the building and the small amount of land surrounding it and in my world, if you own the building you should be able to do what you wish with it and not have to succumb to locals and their drinking habits.

Kind regards
