Reasons for comment:

Comments: I am writing to express my strong objection to the proposed change of use for The Amazon and Tiger public house in Harvel, as detailed in application reference 20231186.

The Amazon and Tiger is a valued community asset and meeting place, and the conversion to a residence would result in the loss of a crucial community hub.

I am a local resident and former patron of the public house who shares the concern over the potential change of use. The proposed change of use would have a detrimental impact on the long-term viability of The Amazon and Tiger public house, a recognised community asset. The ACV status of the property and its integral role in the community should be considered before approving any change that may result in the permanent loss of this valuable resource.

Considering the significant objections, I urge the Local Planning Authority to refuse the application for the change of use.

Thank you for your attention to this matter. I trust that the Planning Committee will carefully consider the objections raised by concerned residents and patrons in making an informed decision.

Kind regards
