Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: The owner of this public house unilaterally decided to close it. There has been no effort to find a buyer to continue the use. The owner has refused to put the pub on the market to test the water.  
As an Asset of Community Value and the only public house in the Village any change of use should be refused until an opportunity for others and especially the local community have had the chance to buy the Pub.

Kind regards
