Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I was brought up in this village and it has continued to change. Looking at the most recent applications for this pub, I have noticed that the council appears to have already granted residential status to the whole property as on the map they have highlighted so in orange/red. So why are the owners having to go through this again?

Kind regards
