Reasons for comment:	
Comments:	I think this will be good for this area. I regularly visit my friend who lives on the road and I sometimes park near in front of the land. The trees are growing towards the road and it seems very dangerous. Also I have witnessed in the evening, groups of men gather towards the back of the land, drinking and maybe other. They sometimes leave empty bottles of beer on pavement and sometimes we the glass smashes onto the road. Very dangerous for kids, dogs and cars. The designs look very good and will improve the road, thanks

Kind regards
