19th August 2024

Dear Sirs

Re 'Furzy Lea' Bowesden Lane, Shorne, Gravesend, DA12 3LA
Application for a proposed Lawful Development Certificate in respect of the
construction of a timber building which consists of a summer house and shed,
pitched roof with table top roof and an open canopy to the front.
REF: GR/2024/0558

Further to our previous letter dated 7th August 2024 the Society would comment that taking into account the engineering works associated with the building, the services and its potential, the Society considers the development should be the subject of a full planning application. The Society would suggest that since the site is in the Green Belt, conditions are imposed to restrict any future conversion to residential use.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
