Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This application for four traveller pitches is crucial, as Gravesham Council currently fails to meet its five-year land supply obligation for the Gypsy and Traveller community. Granting this application addresses the significant, ongoing hardship families face in securing a stable home, which is vital for education, healthcare, and community integration. The proposal represents a sustainable, modest development that aligns with legal obligations to provide for these families and correct the local housing shortage.

Kind regards
