Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Green Belt Harm: High-density residential use (8 caravans, 4 brick buildings) is "inappropriate development" on agricultural land. Abuse of Process: Work was started retrospectively on Dec 22 to bypass Biodiversity Net Gain laws. Forestry Violations: Mass woodland clearance without a Forestry Commission felling license. Highway Safety: Ridge Lane is too narrow to safely support 8 new parking spaces and touring caravans.

Kind regards
