Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

singles storey flat roof rear extension, plus single storey annexe building with dual pitched roof providing 2 bedrooms and a shower room, butno cooking facilities.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The extension complies with the GPDO Permitted Development rules as it is no more than 3000mm deep on a terraced house, and less than 3000mm high.

The annexe building provides space which is ancillary to the use of the main house, but does not provide any cooking or eating facilities. i.e. it cannot be considered a separate dwelling unit.

On a site of approx 320m2, less the 50m2 original house, the remaining free area is approx 270m2.

The annexe building plus the extension have a total area of approximately 25 plus 30m2, i.e. somewhat less than 20% of the remaining free site area.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Drawings or the property as existing and as proposed are attached

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We consider that the additional space provided under this proposal is both Lawful, according to the GPDO Permitted development rules and essential, given that a large family lives in this very small house which was built more than 60 years ago and struggles to meet the demands of modern living.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No

Interest in the Land

Please state the applicant's interest in the land

☒ Owner

☐ Lessee

☐ Occupier

☐ Other
