Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support this place of worship and community services for local residents. The mosque will foster inclusivity, cultural diversity, and social cohesion. Additionally, it will bring a currently unused space back into meaningful use, benefiting the neighborhood. I believe this project will positively impact the area and urge the council to agree to this application

Kind regards
