Dear Avril Waterman,

20240376 – Azila, Dean Lane, Harvel, Gravesend Kent DA13 0BS

The Parish Council wishes to provide the following response:

The proposed structures are likely to be a better fit in terms of appearance - through design and materials proposed - for the location in which they are proposed.

I therefore find no objections to raise against this application providing GBC sees no issue with the combined increased footprint of this application along with application number 20240239 when taken as a whole.

Yours Sincerely

Lisa Winter
Assistant Clerk
