## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is still designated Green Belt under the local plan and is open rural countryside separating Sole Street and Meopham as two distinct rural landscapes along with being the fringe of Nationally protected landscapes in Luddesdown, the Weald Way and the newly designated protected areas, as well as Camer Country Park
	Roads cannot cope with existing traffic due to connections to major roads which are under increased pressure
	No local infrastructure GP's hospital, dentist etc at capacity. No real bus service or roads suitable for bikes, getting past the bottle neck at Station shops is extremely dangerous - the route to station, as well as the narrow bit at the end of Norwood Lane

Kind regards
