### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Concerned with more cars in an already busy small lane. Cars on Green lane are regularly queuing to get onto Wrotham road.</p> <p>Farmland that is being used that is needed for food production.</p> <p>The pressure on an already struggling GP.</p> <p>Greenbelt land which has not been released from the Greenbelt boundary.</p> <p>Meopham is a large village but surrounded by countryside where countless birds and animals live we need to protect these rural areas and maintain its village status.</p> <p>With all the planning applications going on the A227, which at present regularly gets congested would become gridlocked as it's now used as a cut through by vehicles and HGVs. Despite narrow roads and pavements.</p>

Kind regards
