Reasons for comment:	
Comments:	<p>Roads in Meopham are already at capacity. Meopham is usually at a stand still during school times as the roads are extremely busy . The A227 is used at a cut through road to the M20 , by HGV vehicles , which again causes chaos at times . Roads are already dangerous , without extra traffic ,which obviously comes with more houses.</p> <p>I also ask the question . Farmland is used for food production..what happens when there is no farmland left ?</p> <p>No to development in Meopham .</p>

Kind regards
