Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	How many times has this person got to put an application in to make the bungalow, 2 houses, this is completely wrong for the area, and we are in no doubt that after a few months the care side of this will have gone. the road is far to small we already have a childminder/nursery at 28 the turnstones, at times the road is manic with school children and parents picking up, and dropping off . We feel as a small community this is not the right place for more homes what ever kind they are, we have object to all other applications, so cant see why this is any different

Kind regards
