### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Out of all the applications for this area, this is possibly the worst as the junction around the shops is already often at a standstill and very dangerous. It's the cause of a number of accidents and increasing by another 350 houses in that location will be a disaster and cause gridlock. This location simply can't take any additional traffic. Also the whole area infrastructure can't cope. Darenth Valley hospital can't cope with the current volume of patients (it takes over an hour to simply park there), so adding more people simply won't work. Also, this is prime agricultural land lost again, which makes no sense.

Kind regards
