Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a small rural road and access will be very dangerous. The local infrastructure (roads, hospitals, trains, doctors, shops etc) cannot support the volumes of additional people these applications are intending to impose on the area. The A227 cannot cope with the volume of traffic already so to add to it does not seem logical at all.

Kind regards
