Reasons for comment:	
Comments:	Do we need to build more dwellings on our greenbelt. The time our children grow up they will not see greenery which we cherish. The buildings will add more congestion to the one way out of Meopham which is used by large lorries going from M20 to A2 the air pollution should be decreasing not rising. We only have one doctors surgery and one major hospital for the area, they cannot cope now let alone with the three sites in planning. It is dangerously near the school etc

Kind regards
