Reasons for comment:

Comments:	<p>I grew up in Meopham/Luddesdown. In the GREEN belt. GREEN. Not Labour's "grey". This application and others in the same area will ruin the GREEN BELT.</p> <p>a) we need food, therefore we need farmers in the UK</p> <p>b) very rarely are any of these so-called "affordable housing" schemes are "affordable" unless they're substituting "council" houses & are for people on benefits & not hard-working people. if hard-working people CAN afford them, they will have at least 2 cars</p> <p>c) The current road system cannot cope at peak times NOW. If there's a problem/road works in Meopham, STREAMS of vehicles, including HGVs, POUR onto local lanes destroying banks, trees & road surfaces. More houses will mean more traffic & more gridlock.</p> <p>d) Meopham doctors surgery cannot cope with the current demand, let alone MORE people trying to get an appointment. there appears to be no thought of infrastructure (doctors/dentists/schools etc)</p> <p>e) Meopham is a VILLAGE, albeit a long one. Not a town. Not part of Gravesend town. With rural views, rural landscapes, rural life.</p> <p>GREED & £ will destroy our countryside. It should stay GREEN. Green.</p>
