Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My prime objection is based on the increased volume of traffic this development will push onto rural lanes. Norwood Lane and Green Lane are already busy and to push hundreds of more cars onto the lanes is dangerous as well as building in delays at prime times. In today's society delivery vans/lorries are a way of life and these larger vehicles struggle with the widths of the lanes in the area - this is specifically a problem as Green Lane approaches Wrotham Road where already cars and larger vehicles regularly have to mount the pavement with the resultant dangers to both pedestrians and road users. Erosion/loss of farming agricultural land is also a concern and the increase in demand for NHS/GP services that this development and others in the locality creates.

Kind regards
