Reasons for comment:	
Comments:	Newlands Lane is a very tight quiet lane also a main route for dog walkers to the recreational ground. The area will be seriously affected by a potential of 100 cars local schools and the medical centre already full will become almost impossible to get appointments or children into the school local to them. Roadworks are very common on the Gravesend Road and often leads to heavily congested roads more people and more cars will worsen this situation. Culverstone is a very small quiet village a proposal for 67 properties is ridiculous and just a developer being greedy.

Kind regards
