Reasons for comment:	
Comments:	I strongly object this proposal as Istead Rise is a car dependent community and the traffic is already at its limits in the local area(s). This is green belt land which is constantly under threat and directly affects the environment. This space is getting closer and closer towards Northfleet and part of green belt rules states not to merge towns and villages to prevent urban sprawl. Please do not build on this land it will be hugely damaging to the landscape of the area, and in the long term with this constant urban sprawl will effect peoples health.

Kind regards
