Reasons for comment:	
Comments:	I object to this proposal to build such a disproportionately large number of houses on Green Belt land in Meopham which is already suffering a massive strain on local infrastructure which this would only make worse. I fear that the Urban Sprawl created by infilling the space between Sole Street and Meopham will lose the sense of Village Life that the inhabitants of both communities currently enjoy. The A227 is a major choke point made worse by the very frequent roadworks with associated temporary traffic lights that occur along the length of the road - and this before the East Thames River Crossing is built!

Kind regards
