Comments Details

Commenter Type:	Neighbour
-----------------	-----------

Stance:	Customer objects to the Planning Application
---------	--

Reasons for comment:

Comments:	I object to the development due to the damage caused to the rural setting, the devastation caused to nature, excessive and large vehicles blocking the road, loss of natural landscape, lack of drainage and clear and obvious pollution caused by piles of unknown materials. Rules are strict for residential developments, which need to be applied with the same principles to this development
