Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This green field site has been unlawfully occupied with extensive damage and disruption to the local area. Extensive damage to trees, large areas of tarmac, fencing taller than regulation, sewage tanks installed with no planning or authorisation. Dumping and burning of rubbish with no consideration. The people on this site show a very aggressive nature towards local people, block the road whenever they want and presumably illegally tap into services at will. All of this appears to be happening with no intervention from Gravesham Borough Council. I request that Gravesham Borough Council refuse planning permission for application 20250764.

Kind regards
