Dear Ms Harrison

Re: 20220366: 77 Highview
Erection of single storey rear and front extensions and conversion of the garage into a habitable room

We are aware that we have missed the deadline to submit our comments, but as this application is showing online as "pending consideration" we thought it a good idea to write in any case.

Vigo Parish Council have carefully considered the plans for this proposed extension and would state that we do not have any objections to this proposal. We would ask, that to comply with the restrictive covenants in force in Vigo, that the finish matches that of the original build.

We would also be obliged if you would remind the applicant that they should seek covenant approval from the Parish Council.

Yours sincerely,

Joanne Glass,
Clerk, for and on behalf of Vigo Parish COuncil.
