Reasons for comment:	
Comments:	Meopham should remain a village not a town. If I had wanted to live in a town I would have moved. I have always lived in a village throughout my married life, and even after my husband died, I did not want to move away and live in a town. I have lived in Meopham for 41 years and I want Meopham to remain a true village and not part of an urban sprawl.

Kind regards
