Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The traffic flow by the school would be ridiculous. The school is already busy enough. The school is already struggling with placements. I have been here for 5 years and my son is still on the waiting list. Also the entrance to where this access would be would cause an immense amount of traffic. We dont need anymore houses. SAVE OUR GREENBELT !!!

Kind regards
