Reasons for comment:	
Comments:	It's not a good idea to build on this land. There isn't the room in the schools, nursery's, Gps, hospitals. The roads are not built for that much traffic and that's without the hazards to all the local children trying to get to and from school. The council are being greedy they have just cut down our beautiful trees to build flats for Lewisham, we have had roads blocked by lorries workers abusing us and swearing, it's disgusting they are now considering a build of this size.

Kind regards
