Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	In addition to my initial objection , today the following has been brought to to my attention and has caused myself and my family further concerns. 1. Obscured glass windows on the flanked wall resulting in further loss of privacy. 2.Refusal of permission of scaffolding in the alleyway (obstructing/ hindering our access) 3.Zero notification of the application for planning permission - no posted notice outside or a letter to neighbouring residents.
