Dear Rebecca

20211064 - 22A High Street, Gravesend, Kent

Thank you for your letter dated 8th September 2021 with regard to the above application.

Public Rights of Way NGX4 runs to the south of the site and may be affected by the application and I therefore enclose a copy of the Public Rights of Way network map showing the definitive line of this path for your information.

It is important to advise the applicants that a public right of way must not be stopped up, diverted, obstructed or the surface disturbed and there must be no encroachment on the current width, at any time now or in future. This includes any building materials or waste generated during any of the construction phases. Please note that no furniture or fixtures may be erected on or across Public Rights of Way without the express consent of the Highways Authority.

Yours sincerely

John Pelham
