| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | |
| Comments: | <p>I disagree with this planning application for a number of reasons.</p> <p>150 planned houses will mean an average of an extra 300 cars due to very poor bus service, this will increase traffic flow and with a primary school close by raises the chances of children getting runover.</p> <p>There are a number of brown sites with in the Brough that should be looked at first. These house are not for local people and are only being pushed for by greedy builders.</p> <p>There is also the environmental damage to the local area and the increase pressure on local doctors and schools.</p> |

Kind regards
