Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Culverstone and Meopham simply does not have the infrastructure to support this size of building in the area. The traffic alone would contribute to further accidents on the Wrotham Road Assuming 1-2 cars per house. Whilst they may be plans to build a school, this will only take in one class ie a year group at a time which will not solve the over subscription issues for some years. The doctors surgery is already above capacity. This has not been considered by the developer in a holistic fashion at all.

Kind regards
