Reasons for comment:	
Comments:	<p>The A227 would not be able to cope with the additional traffic created, if this proposed development were to go ahead.</p> <p>This site on former green belt land, is needed to preserve the nature of Culverstone village, and to stop it merging with Meopham.</p> <p>Local schools and GP surgeries will be over whelmed, as a massive housing development is planned in the neighbouring village of Meopham.</p> <p>Yet again creating a massive increase of traffic accessing the A227.</p> <p>I commute to Gravesend during the week, and the A227 is at full capacity at peak times.</p> <p>I also believe that the mains water supply is under unsustainable pressure, as we have regular mains leaks, and the the water pressure is low.</p>

Kind regards
