Reasons for comment:	
Comments:	My main concerns and reasons for my objection are: threat to the wildlife that lives/breeds on this land especially bats and bird species, the lack of infrastructure to support such a huge number of additional homes and residents, and the risk of flooding that is posed by losing the land that acts as a natural drainage system. We should be prioritising redeveloping grey belt sites rather than using green belt land which should be protected - as one it's lost it's lost forever.

Kind regards
