Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: As per our previous comments regarding the proposed plans, we strongly OBJECT to the erection of the proposed outbuilding. The council's approval for the previous owner to destroy the well-established, beautiful mature trees, which were home to a thriving, diverse ecosystem, was upsetting enough. Now, learning that additional trees will be cut down to erect an unsightly outbuilding that will obstruct our view of nature is deeply disappointing. As a result, we firmly disapprove of the plans.
We would only approve of the plans if the owners plant tall screening trees directly behind the proposed outbuilding, ensuring it remains unseen [REDACTED] preserving our view of nature.

Kind regards
