Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object to the application.</p> <p>It would have dangerous access to 350 houses.</p> <p>High volumes of traffic on congested Green Lane and Wrotham Road around schools and parade of shops.</p> <p>Wrotham Road is an extremely busy road with speeding traffic and an estate opposite schools and shops would therefore mean more children and parents crossing Wrotham Road which would be extremely dangerous.</p> <p>Insufficient infrastructure, i.e 1 hospital and couple of GP surgeries.</p> <p>Wrotham Road is dangerous to cycle on due to high volumes of speeding traffic including HGVs and this will only get worse with proposed developments and the Lower Thames Crossing.</p> <p>Increased pollution.</p> <p>Insufficient street lighting and footpaths therefore causing a hazard.</p> <p>Concreting over our fields would mean the land cannot absorb the rainwater and would therefore add to the flooding on Wrotham Road.</p> <p>Insufficient bus services.</p> <p>This development would have a visual impact on the conservation area.</p> <p>Meopham is a village not a town</p>
