Reasons for comment:

Comments:	I object strongly to this application, surely this is not in keeping with a small village location and next door to a pub/restaurant I believe the council have recently turned down a application for a bungalow (maybe 2) on this land, bungalows similar to those across the road, and this after also rejecting an application for a house We all know what happens next.... The council will reject this latest planning application, the owners will appeal, and appeal again, then the council will spend tens of thousands of pounds (and years) trying to remove the caravans..... maybe you should have allowed the bungalows to be built and we wouldn't have been in this mess! Everyone in the village is upset and worried about what may happen in this situation that we find ourselves in, it could all have been avoided
